8 June 2018

Dear Mr Young

CACFO UK Education Centre

I refer to the inspection of your school by Ofsted on 1 May 2018.

The role of the inspectorate is to monitor the performance of independent schools against the independent school standards and report their findings to this department as the regulator. The final decision about whether a school is meeting the standards is made by the Secretary of State.

In the department's view the school has met all of the regulatory standards and there is no further action required of the school.

Ofsted will inspect your school again in due course according to their regular cycle of inspections.

Yours sincerely

Tracey Shield
Independent Education and Boarding Team
